

Spending time in the Word of God will captivate your mind with the things of God. Applying it will change your life.

Remember to: 1 Pray and ask God to help you understand and put into action the verses. 2 Read a few verses before or after to learn more about what is happening, who is talking to whom. 3 Does the verse apply to your life? Is it a warning? Is it an example of how to praise God? Is it a truth that we should trust God with? Is it an encouragement to do the right thing?
